Testimonials

DR. BENIN
Qingdao Medical University

I've studied MBBS in Qingdao. I heard about M/s Darwins Educational through my friends and registered with them to obtain a seat at QMU. A wonderful job was done by Darwins in every aspect of this process. I enjoyed my studies at QMU.

DR. LEKHA S
Jiangsu Medical University

I was doing my first year of engineering at a college in Tamil Nadu with a passion to become a doctor. After the efforts taken by my parents, we came to know Darwins Educational and inquired whether I would get a seat. My score in Plus 2 is around 93%, but did not get a seat in medicine in India. After completing my first year in engineering, I registered with Darwins and through them, I got a seat at Jiangsu Medical University. With abundant happiness, I've done my MBBS at JMU, PR China. Thanks to my parents for identifying Darwins.

DR. MANICKVASAGAM
